Herdar vs. cumprir contrato

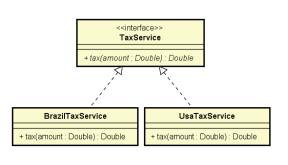

http://educandoweb.com.br

Prof. Dr. Nelio Alves

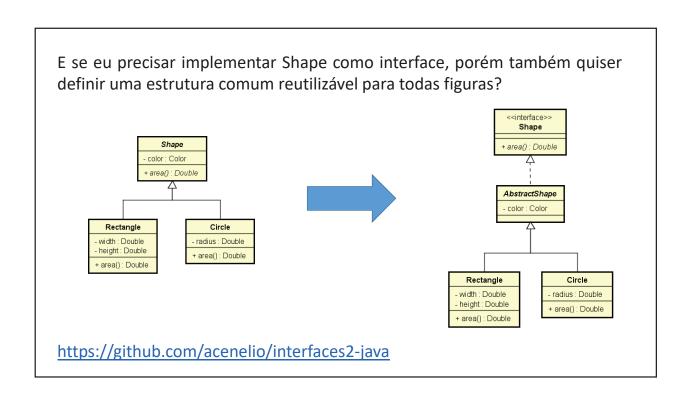

Aspectos em comum entre herança e interfaces

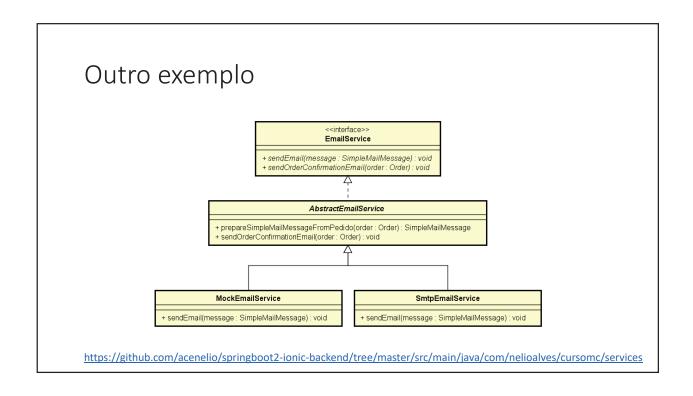

- Relação é-um
- Generalização/especialização
- Polimorfismo

Diferença fundamental • Herança => reuso • Interface => contrato a ser cumprido Shape <<interface>> TaxService color : Color + area() : Double + tax(amount : Double) : Double BrazilTaxService UsaTaxService width : Double radius : Double + tax(amount : Double) : Double + tax(amount : Double) : Double + area(): Double + area() : Double

Herança múltipla e o problema do diamante
